INVITATION

Hosted by Vestas

November 4, 2019 at 16:00 PM

"Gå-hjem"/after work meeting about standardization of wind logistics

This 10th after work meeting about logistics in the wind industry will focus on what is actively being done to introduce standards within the area of logistics on a global basis. In addition, the meeting will discuss what standardizations within logistics may be used for. As usual, an expert panel is available to ensure a good dialogue at the meeting.
